

Parliamentary Pledge for the Treaty on the Prohibition of Nuclear Weapons

We, the undersigned parliamentarians, warmly welcome the adoption and entry into force of the Treaty on the Prohibition of Nuclear Weapons as a significant step towards the realisation of a nuclear-weapon-free world.

We share the deep concern expressed in the preamble about the catastrophic humanitarian consequences that would result from any use of nuclear weapons and we recognise the consequent need to eliminate these inhumane and abhorrent weapons.

As parliamentarians, we pledge to work for the signature and ratification of this landmark treaty by our respective countries, as we consider the abolition of nuclear weapons to be a global public good of the highest order and an essential step to promote the security and well-being of all peoples.
